

# Let ArtWay Tools Help Brand Your Creations

## Bold Product Branding

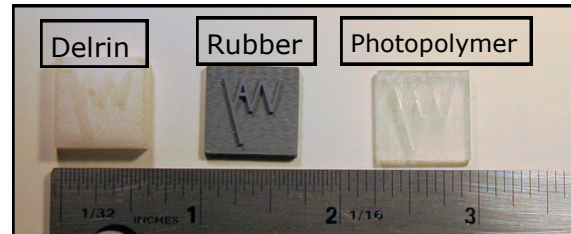

You choose the size.

You choose the font.

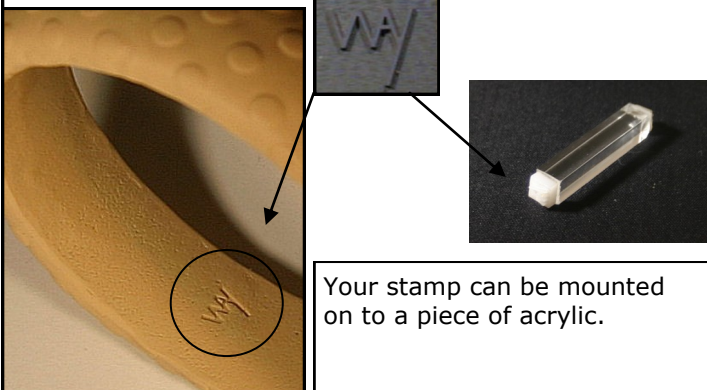

You choose a mounted or un-mounted stamp.

Create your logo, design or message.

Then send it in a PDF file.

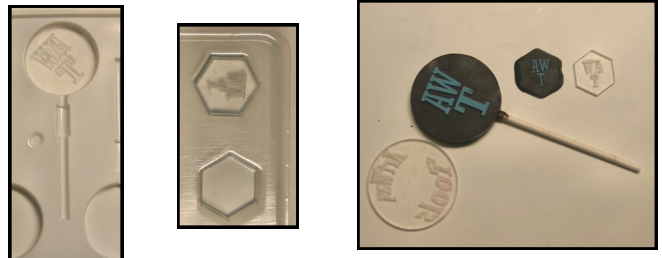

Precise tiny detail impression stamp  
to identify your jewelry creations.

Your stamp can be mounted  
on to a piece of acrylic.

Precise logo, message, or customer design can be  
made to use for advertising or decorating  
your food creations.

Use the impression stamp inside your food mold.  
Press on to the sugar paste, fondant,  
or any medium of your choice.
