

ArtWay Tools

Hole Placement Templates

Create perfectly aligned holes every time
in your *buttons, beads, charms and pendants.*

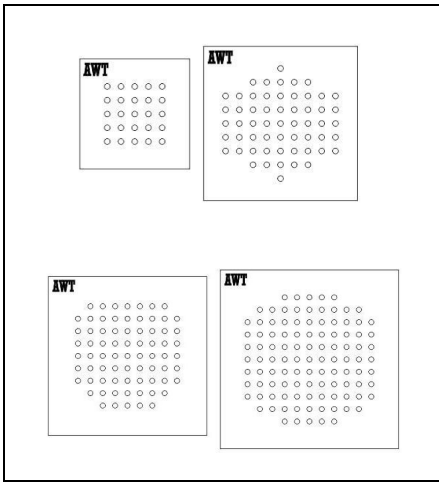

Two styles of templates are available.
Use alone or with the **ArtWay Shape Frames.**

**Wide and Close
Twin Hole and Quad Hole Templates**

**Each package =
1 mylar work surface + 16 templates**

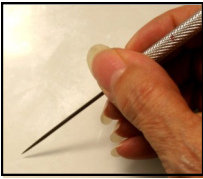

**Universal
Grid Hole Template**

**Each package =
1 mylar work surface + 4 templates**

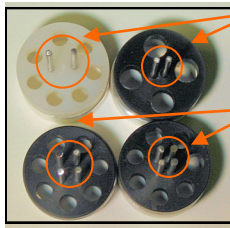

Create the holes with these two tool suggestions.

Pro Needle Tool
fits into
any hole in the
ArtWay
Templates
